Alhamdulillah,

Madrasatu Banaatil Islaam is an institute that has been established to cater for the higher learning of the girls in our community.

The Madrasah started in 1995 and provides such an environment of learning which promotes morality and good upbringing of our daughters.

Our Vision

We intend to provide the community with such women who are empowered in terms of Islamic knowledge, morally upright, practical examples of Muslim women and who will eventually become the laps of knowledge for generations to come.

The Staff

- The Madrasah currently has a total of **7 female teachers**.
- **MI. Riyaad Lagerdien**, a graduate of Darul Uloom Azaadville, serves as the Head of the Madrasah.

Courses offered at Madrasatu Banaatil Islaam

- A Five Year Full-Time Aalimah Course.

Together with the above-mentioned course, students also complete the following:

- Cooking and Baking
- Sewing
- Handcrafts
- Ustâdhs training

A specific time of the day is set aside wherein students are advised regarding good conduct and morals. The educators themselves take on this responsibility of nurturing the students.

Students are also given the opportunity to revise various aspects of character with their colleagues. On certain occasions we are graced with the presence of our local senior Ulamâ as well as visiting jamâ'ats to convey some of their advices to the students.

The Nurturing of Students is our prime objective at the Madrasatu Banaatil Islaam, to such an extent that if a child does not excel at her studies but leaves the madrasah with good qualities, character and an Islamic way of life, then we have indeed achieved something.

The Facilities of Madrasatu Banaatil Islaam

The structure and design of the Madrasatu Banaatil Islaam promotes the laws of Hijâb, whereby there is **no intermingling between male and female staff members.**

Females have their entrance which is completely separate to that of the males.

Male teachers conduct their lessons from behind a partitioning.

The Madrasah has a **library** consisting of Islamic literature which students utilize for research purposes.

They are also provided with photocopying facilities on the premises.

Our **sewing and crafts class** is equipped with sewing machines, overlockers and a cutting table.

** Dedicated volunteers assist in the training of the students.*

To facilitate the **cooking and baking courses**, the Madrasah boasts a fully fitted kitchen with stoves, ovens, fridge and microwave oven.

** These courses are all offered by dedicated volunteers from our community.*

A spacious **ablution block** with sufficient wudhu and toilet facilities compliments the comfort in which students are able to study.
