REPORT OF THE ACCOUNTING OFFICER FOR THE YEAR ENDING 28 FEBRUARY 2017

We have reviewed the accompanying balance sheet and statement of Income and Expenses to the AL-FIDAA Foundation. These financial statements set out on pages 2 to 4 are the responsibility of the committee. Our responsibility is to issue a report on these financial statements based on our review.

We have conducted our review in accordance with the International Standard on Review Engagements. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide lesser assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying financial statements do not give a true and fair view (or are not presented fairly) in Accordance with International Accounting Standards
