MORE ABOUT UMTHUNGO SEWING STUDIO

Umthungo Sewing Studio presents you with an outlet opportunity to earn your Enterprise Development B-BBEE points. Umthungo Sewing Studio empowers previously disadvantaged females through a 24 week sewing short skills programme accredited with the FPM Seta. Many learners after completion would like to become self-employed, however access to funds for infrastructure is a challenge.

Make a difference to their lives while earning your B-BBEE points by sponsoring their start-up costs. Umthungo Sewing Studio presents three packages to choose from based on your budget allocations.

FEEDBACK

INSPIRING FEEDBACK FROM OUR GRADUATES

"Since I completed the course, I started to design and sell my very own line of traditional wear, and my work being recognised all around East London....I am very grateful for this skill that I have acquired through Al-Fidaa. Thank you."

Bukeka Mashaya

"Before I learned how to sew, I was not generating any income and I had to provide for four grandchildren, and then I found Al-Fidaa and then learned how to sew. Now that my course is done and I have the skill now I am generating some income by selling bags that I make myself from scratch. I am very thankful for Al-Fidaa. It has helped me and my family."

Minisi Ngantweni

"I have started my own business now and I sell a variety of clothing that I make from scratch, I never knew how to sew until I found out about the Al-Fidaa sewing classes, and now I am able to make all types of clothing."
